

A detailed illustration of League of Legends champions in a battle scene. In the foreground, Aatrox (a dark, armored warrior with a large sword) is engaged in combat with Darius (a warrior in ornate golden armor). To the left, Yasuo (a man in a blue robe) is visible. In the background, other champions like Zed (a purple-skinned assassin) and Riven (a woman with red hair) are seen amidst a fiery, mountainous landscape. The title "LEAGUE OF LEGENDS" is centered at the top in a serif font, with a thin red line above it.

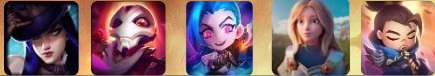

LEAGUE OF LEGENDS

WIN RATE

- Rek'Sai is the highest summoner win rate.
- Estimated In EUNU region from different ranks and tiers
- Kayle is the second highest summoner win rate
- These analysis extracted from 2400 unique matches

Pick Rate in EUNE & Challenger

Pick Rate

- Yasuo summoner has the highest pick rate in EUNE region with a high margin with other summoners
- Caitlyn is the second most pick rate summoner in EUNE region with slightly different with Jinx and Lux.
- Pick rate Estimation was based on how many times players picked that summoner and won the match.

BAN RATE

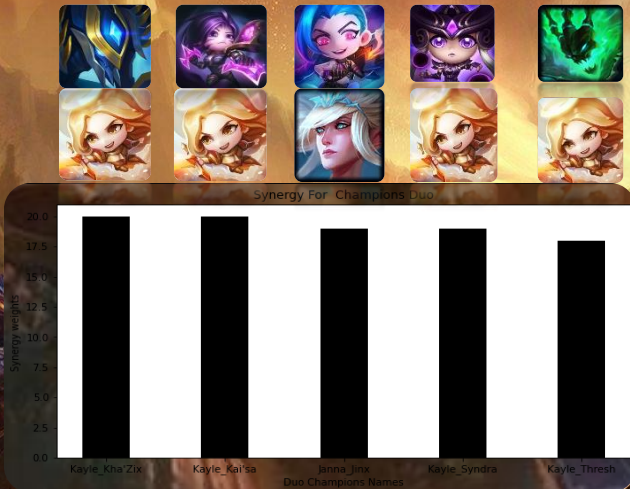

- Yuumi is the most banned summoner in EUNE region with slightly different with Zed summoner, this means most of banned players in region EUNE choose Yuumi and Zed as their first preference champion.

LOSE RATE

- Annie is the most lost summoner in EUNE region, that means if player has chosen Annie champion that means he has high probability in EUNE to lose the match.

SYNERGY DUO

- As stated in the graph Kayle is the most summoner efficient duo, so if you are going to play duo Kayle is your companion

ITEM – WIN RATE

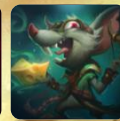

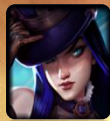

- In game if you have Mejar's Soulstealer or Elixir of Wrath item you have more than 80% chance to win the game in FUNE region .

ITEM — PICK RATE

- Before the game if you are going to pick Oracle Alteration, Sorcerer's Shoes or Berserker's Greaves, you have almost 50 percent chance to win the game, we see from the graph that boot's item class is dominant for picking in EU/NA region.

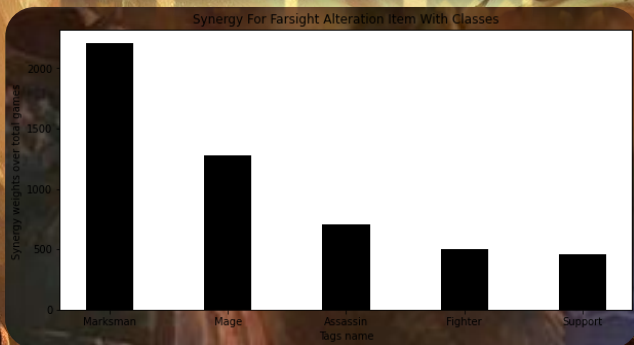

Synergy For Foresight Alteration Item With Champions

FORESIGHT

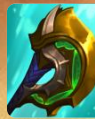

ALTERATION ITEM – SYNERGY WITH CHAMPIONS

- The graph indicates that jinx and Caitlyn are the most suitable summoners for Foresight alteration ITEM, this graph can be visualized for every item.

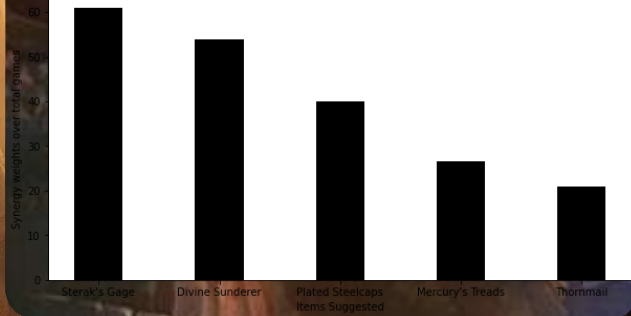

FARSIGHT ALTERATION ITEM SYNERGY WITH CLASSES

If you have Farsight alteration item, the best class to pick as summoner is Marksmen and Mage class. This is also applied for every item passed in EU/NA region.

Synergy For Vi Champion With Suggested Items

ITEM

SYNERGY FOR GIVEN CHAMPION

- For Vi champion there are the suggested items listed depending in weights, Streak's Rage item is the most suggested item for this champion. Note these weights are based on the relation between (item, champion).
